

# How to get 1 Month Free Trial with Siteground

If you would like to try Siteground hosting, I would like to offer you my special affiliate link. What this means is that you will be able to try their hosting for 1 full month for free and then if you do decide to pay for their services after, I will get a small commission. I should also add that you might be eligible for a discount if you do decide to use my affiliate link.
